RECYCLING CLOTHES IN AN ETHICAL AND ENVIRONMENTALLY RESPONSIBLE WAY

By Click Collection Ltd

Project URL: clickcollection.co.uk

Project Twitter: [@clickcollect](https://twitter.com/clickcollect)

- Economic Empowerment
- Environment & Sustainability
- Internet

Click Collection collects unwanted clothes from homes and recycle points, and places them in its online store (running via eBay).

Items of clothes carry a tag indicating the charity the donor wishes the money to go to, and Click Collection passes it on. In this way Click Collection represents multiple charities.

Click Collection is dedicated to recycling clothes in a totally transparent, ethical and environmentally responsible way.
