

FOUNDERS4SCHOOLS

CONNECTING TEACHERS WITH ENTREPRENEURS

Project URL: founders4schools.org.uk

Project Twitter: [@Founders4School](https://twitter.com/Founders4School)

- Community Engagement
- Education
- Social Software

Founders4Schools connects teachers with entrepreneurs and founders of growing, successful businesses. The website acts as a conduit through which teachers can connect with founders. Entrepreneurs and business leaders can sign up to the database and schools can request them to give inspiring talks to their students.
